Safety Leadership Development Course

Monday, August 14 and Tuesday, August 15, 7:30 am - 3:30 pm **(Course Fee: \$25)**

In conjunction and partnership with the Utah Mining Association's 102nd Annual Convention, Safety Solutions International and the University of Texas at Arlington are offering a 2-day leadership development course for frontline supervisors in western mines. Training of this kind would typically cost \$1,000 or more and is being offered for free to UMA members! The nominal fee covers the cost of the meeting space and refreshments. The course will be conducted Monday, August 14 and Tuesday, August 15 from 7:30 am - 3:30 pm. You can view a flyer with more information [here](#).

Environmental Issues Short Course

Tuesday, August 15, 4:00 pm - 5:00 pm **(Course Fee: \$25)**

UMA's Environment Committee is hosting a one-hour discussion on the "Waters of the U.S." rule. The EPA intends to rescind and re-write the 2015 rule, and they want the mining industry's input. During this course, we will discuss the mining industry's priorities for the upcoming rule to define federal jurisdiction of waters of the United States.

Mining Ambassador Training

Tuesday, August 15, 4:00 pm - 5:00 pm **(No Course Fee)**

Learn about the Utah Mining Association's popular 4th Grade Mining Ambassador program in which ambassadors present information about the Utah mining industry to 4th grade classrooms and help make the connection between mining and students' daily lives. The program is successful because of the volunteer participation of UMA members. With this one-hour training you will be prepared to help us educate the next generation as to the importance of mining.
